TECHNICAL TOUCH

OUR PRECISION YOUR ADVANTAGE

Since 1991, Technical Touch is the official partner for assistance, set-up, development and maintenance of the KYB Factory suspensions and supports the Factory teams competing in the MX-worldchampionships.

Based on this experience, we created a line of official KYB Racing Parts. These racing parts are especially designed, developed, assembled and tested by our race technicians to improve global performance.

ARE YOU READY
TO TAKE YOUR SUSPENSION
TO THE NEXT LEVEL?

Factory Kit

FRONT FORKS

TO PROTECT YOU NEW SUSPENSION,
OUR KYB FACTORY KIT WILL BE DELIVERED
IN A PREMIUM SUSPENSION CASE

Our KYB Factory Kit Front Fork is well known in the MX-world. The precise damping set-up, Customized by our experienced race engineers, in-house technicians and perfected on one of the toughest tracks in the MXGP series, The Legendary Lommel Circuit. With all anodized internal parts and DLC-coated innertubes, internal friction is reduced to the minimum. By adding a mid-speed valve, the KYB Factory Kit Front Fork can be adjusted over a much broader range. One of the extra features of this factory suspension product is a custom spring collar, Which provides more front wheel control and increased comfort on jump landings.
